*As you can see, the Little Library That Could and all its supporters have achieved many of the initial goals for expansion & renovation.*

*Now, to keep the library attractive and effective in the future, we have a patio-paver program.*

*The brick pavers, which may be seen in the book-drop area near the front entrance, can be reserved for \$100 per brick. Inscriptions may be for individuals, families, businesses, and commemorations of all kinds.*

*During the coming years, we will continue to offer this opportunity to support the library through our patio-paver program. Proceeds will be used to support the library's ongoing maintenance and expenses.*

*To reserve a brick, please fill out the attached form and return it with your \$100 check made out to the Soldiers Grove Public Library.*

*For more information, contact Library Director Cele Wolf at:
